

Sailing Instructor

The Whistler Sailing Association (WSA) is looking for mature and experienced individuals to teach our Kids & Youth Sailing Camps and Adult Courses for the season. Full Time positions and Part Time positions available. The successful candidate will have:

- Sail Canada certified or equivalent (courses available in Vancouver)
- Have experience teaching sailing to kids or adults.
- Hold a current Emergency First Aid with CPR certification (i.e. through St. John's Ambulance, Red Cross, etc.) or equivalent
- Valid Pleasure Craft Operators Card (PCOC) and hold an authorized boat rescue certificate
- Demonstrates qualities including (but not limited to): safety awareness, flexibility, time management, and leadership

WSA is located on Alta Lake in Whistler BC, underneath Blackcomb and Whistler Mountains. Sailors in Whistler boast multi-sport days, whether it is skiing, biking, hiking, sailing or other water sports. In Whistler, it can all be done on the same day within view of the other activities. Alta Lake acts like a funnel from notoriously windy Squamish so we get regular timed thermals hitting our shores every day – it's very rare for sailing to be cancelled due to lack of wind.

WSA offers CANSail accredited summer camps for kids and teens of all ages, as well as Adult courses, community drop-in days and racing clinics for our members. We are looking for all levels of CANSail coaches who have a passion for sailing and enjoy passing that on to others.

Starting Wage \$18 per hour.

Please submit a cover letter and resume to: Attn Francois Hebert, General Manager at info@whistlersailing.com
