From: John Windas, PHRF BC Chairman

By vote of the PHRF BC Handicappers Committee, **Rule 16. Bowsprits** has been updated to reduce the rating impact. This rule applies only to boats where a bowsprit has been added to a standard class boat. Current certificates affected by this change will be reissued.

The new Rule 16 can be seen here: <https://bcsailing.bc.ca/phrf/> under PHRF BC Rules & Measurement.
