PHRF BC HANDICAP APPEAL FORM

APPELLANT INFORMATION:

NAME: April Faget YACHT CLUB: SISC
PHONE: 250 537 0430 email: paul@fageteengineering.com

Appellant's yacht:

Name: Poco Type: Hotfoot 20 Sail #: 101
Current base boat rating: 168

HANDICAP APPEAL INFORMATION:

Yacht being appealed:

Name: Poco Type: Hotfoot 20 Sail #: 101
Current base boat rating: 168

REASON FOR APPEAL:

Please provide a succinct outline of the reason for this appeal. Forward the completed Appeal Form to the BC Sailing Offices accompanied by a copy of your current PHRFBC Certificate, any supporting documentation including a list of owners who support your appeal, and a complete list of race results for the relevant season.

Poco is a Hotfoot 20 with the original mast, boom and spinnaker pole, all of which are consistent with the original design and manufacture. The original design of the Hotfoot 20 has a spinnaker hoist (ISP) that exceeds the I dimension by 1.70 feet and a spinnaker pole length (JC) that exceeds the J dimension by 0.90 feet.

The PHRFBC certificate for Poco indicates a standard rig JC of 7.0 (which matches the J dimension) rather than the originally designed JC of 7.9 (in accordance with Section 9.0 of the PHRFBC rules for the definition of JC). Poco therefore is rated with a code 6 spinnaker rather than code 5, although the spinnaker is consistent with the original design of the Hotfoot 20.

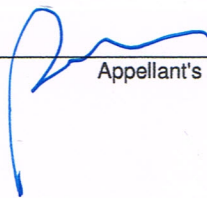

I suggest the following:

Hotfoot 20 Standard Rig JC revised from 7.00 to 7.90

Hotfoot 20 Base Rating revised from 168 to ~~168~~ **165**

Poco PHRFBC code revised from 365M to 355M

Poco PHRFBC As Sailed Rating unchanged at 171
