Appellant's yacht:

Name: NAMBA Type: C & C 39 Sail #: 19535

Current base boat rating: 108

HANDICAP APPEAL INFORMATION:

Yacht being appealed:

Name: NAMBA Type: C&C 39 Sail #: 19535

Current base boat rating: 108

REASON FOR APPEAL:

The purpose of the appeal is to request the 6 second penalty for the keel and rudder modification to be reduced back to 3 as it has been in the recorded past.

No further modifications have been done since the original modification some time in the 1980s and for some reason, the 2023 PHRF was adjusted from a 3 second penalty for these original modifications to a 6 second penalty.

Every year I (and the previous owner) reported the Keel and Rudder Modification and every year, until this year there was a 3 second penalty (not a 6 second penalty) in the "Miscellaneous" column.

Attached are copies of NAMBA's BC Sailing PHRF of 2006, 2007, 2010 and 2023 BC Sailing will have copies of the older PHRF for this vessel dating back to its initial application in 1974.

I am available via telephone or visual media however I am unable to travel to Sidney to present the application in person.

Current race results have been included however, they would not be applicable to the appeal. I believe that this has been an administrative error.
