Appeal of change in PHRF base rating for Newport 30-II

At the Spring 2024 Handicappers Committee Meeting on March 14, item 4 included a suggested lower PHRF rating for Newport 30-II "Aria". The assessment result was to lower the Newport 30-II base boat rating by 13 points to 192, making Aria's as-sailed rating 213, down from 226. (Note: No notice of this review was provided to Aria's owner/skipper ahead of this meeting, despite this being BC Sailing's policy.)

PHRF is designed to allow dissimilar boats to compete fairly such that the race is based on the skill of the crew rather than the equipment. For a class of boat to need a lower rating, the boats would need to be winning a disproportionate number of races in their fleets. Aria is one of only two Newport 30-IIs racing in BC.

The only other Newport 30-II racing in BC is "Saltire" of the Royal Victoria Yacht Club, racing with a PHRF of 210 in the Summer 2024 Division 3 LD Wed series. This boat's single best finish was 4th place out of 7 boats. In all other races, the boat retired or finished last.

Results taken from: https://theclubspot.com/regatta/kjrcUe9CIJ/results?class_id=SdGGwud7qI

There is no evidence that Aria was out-performing the PHRF of 226 at the time of this change. Aria had won 5 of the 71 races she competed in, a winning percentage of 7%. She placed between 2nd and 11th in all series, with an average finish of 4.6. Her best series results were obtained because of regular attendance at races. For example, in Fall 2023, she placed 2nd in the series, but only 4 boats competed in at least 7 races that were counted.

Included in the results attached is also the first series Aria raced with the new rating of 213: Spring 2024. She finished 10th, with no single finish higher than 6th. This shows that the adjusted rating is too low, making the boat uncompetitive with the fleet.

Aria has never completed a race outside the SCYC sailing club. She entered the Round Bowen race twice and failed to complete in the allotted time in the Cruising division.

PHRF History: Aria had raced in 13 race series with the Sunshine Coast Yacht Club starting in Winter 2021 until the time of this Spring 2024 meeting. From Winter 2021 until Spring 2023, she competed with an as-sailed rating of 229. The rating was lowered to 226 in Summer 2023 when she got a folding propeller. Note: In Fall 2023, she raced at 208 when she flew a spinnaker in a few races, deducting 18 points as outlined in the rating certificate.

As you can see from the summary of results below, Aria did not win a disproportionate number of races. She won about 1 in 7 races in recent series with a fleet that consists of about 7 boats that regularly race. Aria's performance improved after extensive bottom work and new sails, but PHRF is based on performance with a clean bottom and new sails. The skipper and crew have also improved, which is what the race is supposed to be based on. The change in rating to the class of boat is unfounded. I am asking that this rating change issued in Spring 2024 be repealed.

-Clifford Sutton, skipper
